

Home Visit

30th July was a pleasant day for us as we would visit our UK friends' homes to experience the British ways of living: the architecture, the environment, the family life, their neighborhood, their food, their gardens, their dogs, birds...etc

We had diverted our visits by dividing into 3 groups, each heading to different delegates' homes...

Group B: Olivia, Suki, Houston, Leeann

Group A: Michael, Jeffrey, Jimmy, Harry

Group C: Witty, Tracy, Polly, May
