

Travel tips

Shopping/Sight Seeing:

1. Kagoshima can be a shopping place with lots of choices. Tenmonkan is a centralized shopping place there, but most shops closed at about 8 pm.

2. You must go to “Daiso” (¥ 100 Shop) for trendy things at low price.

4. Muji is very cheap. Ice cream and pudding are excellent.

6. It's common to find game centers. Sticker photos are very popular. The machines offer a lot more varieties than that in Hong Kong.

3. It takes a long time to use credit card. Use cash instead!

5. Don't mix 神社 up with 廟. It is different!

7. It was nice to travel by the Cityview bus. You can go to see a lot of tourists' spots by that bus.

Travel tips

Climate:

1. Kagoshima is famous for its bright sunshine, do remember to apply your sunscreen as frequently as you can in order to keep yourself stay "white", or else, no one can guarantee how you will be like after the trip!

Communications:

1. Communicate with the help of Chinese character.
2. Bring a dictionary with you, at least, pen and paper for communication.

General:

1. All hotels provide you yukata
2. The Japanese bow "ojigi" is famous all over the world. It can be used universally: for greeting, thanking, leave-taking or apologizing.

Travel tips

3. Don't use boiling water to make green tea; it only makes the green tea bitter.
4. Never ever bring a small suitcase, because you will be given a lot of souvenirs.
5. Never ever bring a hard shell suitcase, because it is too heavy. Beware of overweighing.
6. Know more about Kagoshima before you go, that's important!

Special for exchange tour:

1. Don't bring too much to go to Japan, there would provide u with many things that you need (e.g. shampoo, towel).
2. Bring more film and souvenir with you, because you will meet many people. Prepare more name card with your profile, so that you can give it to the Japanese youth.
3. Make a clear plan for the time with your host so that you can schedule where you will go and how long you will stay in different places.
